Dear Mr Pandey,

I write to thank you and Vishva Hindu Parishad of Australia – SA Chapter for your leadership during the COVID-19 pandemic.

During these unprecedented times, many members of our multicultural community are experiencing uncertainty and hardship. Organisations like yours have been making a real difference in the lives of many South Australians, improving their mental, physical and emotional health and wellbeing.

Vishva Hindu Parishad of Australia – SA Chapter has set up the Hindu Helpline, providing support to the community for the delivery of urgent supplies, collection of medication, mental well being and more. Vishva Hindu Parishad of Australia – SA Chapter, through its youth group, has also been supporting international students with survival kits.

It is because of acts of kindness like these that South Australia will get through this pandemic together.

More than ever, your vital work to include people and to bring our community together is needed, and it is greatly appreciated.

Thank you again for your generosity to our South Australian community and if there's anything I can assist with, please contact my office on 8237 9137 or by email [laborleader@parliament.sa.gov.au](mailto:laborleader@parliament.sa.gov.au).

Yours sincerely
