Dear Mr Pandey

We write to convey to you, your colleagues, and community our very best wishes for the 77th anniversary of Indian Independence Day on 15 August 2023.

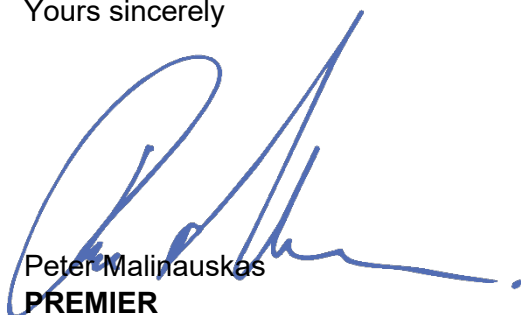

On this special occasion, we celebrate the day India achieved independence. We also recognise Australia's diplomatic relationship with India is our oldest in Asia, and it continues to be strengthened across many sectors, including trade, migration, arts, cultures, and international education.

The rapid growth of South Australia's Indian born population is a real source of pride for the state government. Our great state has been transformed by the creativity and enterprise of Indian migrants and their descendants over many years, which continues to enrich our proud multicultural state. South Australia also strongly reaps the benefits of your community through the cultural vibrancy of community-minded events and celebrations that put family, friends, and the broader public at the heart of bringing people together.

South Australia deeply values its relationship with India, and we thank each of you for the vital role you have played – and continue to play – in nurturing that relationship.

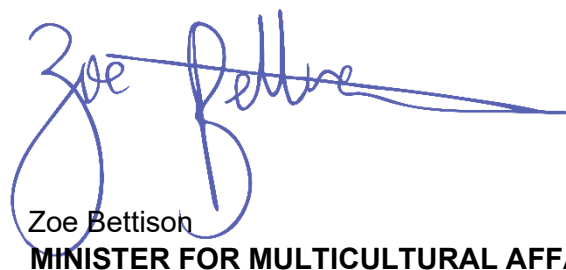

We wish you a safe and festive Independence Day celebration!

Yours sincerely

Peter Malinauskas
PREMIER
