Dear Mr Pandey,

We write to convey to you, your family and the South Australian Indian community our best wishes for the 75th anniversary of Indian Independence Day on 15 August.

We are fortunate to have a proud and vibrant Indian community of South Australia and it is wonderful that your community will be celebrating this important day to recognise India's rich history and heritage, and unique diversity of religion, language and culture.

South Australia and India have a strong, longstanding friendship that continues to grow from strength to strength. It is our people-to-people links that underpin this enduring relationship and we deeply value the social, cultural and economic contributions you make to enrich South Australia as a multicultural and prosperous State.

We also acknowledge that COVID-19 continues to change our lives in different ways. May your Independence Day celebrations this year be safe and festive, enjoyed in the company of your family, friends and community.

Wishing you a very happy celebration of 75th Indian Independence Day!

Yours sincerely,

Hon Steven Marshall MP
PREMIER OF SOUTH AUSTRALIA
